

well number

individual barcode

Ht\_1998\_A01\_BMAG043\_ATGATA.fastq.gz

The diagram illustrates the structure of the file name 'Ht\_1998\_A01\_BMAG043\_ATGATA.fastq.gz'. Each part is enclosed in a hand-drawn circle of a specific color, with a line connecting it to its label: 'Ht' is green, '1998' is red, 'A01' is black, 'BMAG043' is brown, and 'ATGATA' is blue. The labels are positioned around the file name: 'species id' (green) below 'Ht', 'birth year' (red) below '1998', 'well number' (black) above 'A01', 'plate number' (brown) below 'BMAG043', and 'individual barcode' (blue) above 'ATGATA'. The file extension '.fastq.gz' is not circled.
